

As a parent of young children, it is very important for us to have a FM radio station in our community that plays music and commercials that adhere to our Christian values. K-Love 90.9 FM is that station for us. K-Love 90.9 FM plays only Christian music so my children do not get bored as they do when we used to listen to Joy 88 FM, which also plays commentary Christian shows. Please don't displace K-Love 90.9 FM in our area with an LPFM broadcaster. The Topeka area is well served by the unique service of Christian only music 24/7 provided by K-Love 90.9FM. Thank you.
